Remarks

AVAILABLE NOW In the heart of Riverside, this spacious two bedroom, two bathroom home sits on a large lot, with lush landscape and a detached two car garage- a rare find! Enjoy the original hard wood flooring and cute character in this brick beauty! Front door opens to the spacious family room. Dining room off of living. There is a separate entrance to the home on the left that enters into a mud room/ drop zone! Kitchen in rear of home, with utility room heading out to the back yard! Two bedrooms are great size, one includes an en suite- sink, toilet, and stand up shower. Enjoy two deck spaces out back.
